

Are you an individual age 16 or older with a disability (a condition that substantially limits your daily activities)?

We need your feedback!

Please participate in two surveys of critical importance:

1. Independent Living Needs – Survey on needed services and supports to improve overall quality of life
2. Accessibility of Medical Primary Care Providers – Survey on consumer experiences regarding access to medical care and services

Surveys available online now at:

<http://www.surveymentance.com/pub/pib/p1836b/login.pl?agency=81>

The Arizona Rehabilitation Services Administration (RSA), Independent Living Rehabilitation Services (ILRS), in partnership with the Statewide Independent Living Council (SILC), is conducting statewide research about two topics of critical importance to persons ages 16 and older with disabilities and their family members. Whether you live in a large city or small town, your opinion counts! Please go online today to take one or both of these surveys. **If you complete both surveys, your name will be entered into a drawing for \$50 Visa gift cards. Ten names will be drawn, and no one can win more than one gift card.** DES employees and their families are not eligible to participate in the drawing for gift cards.

The surveys close on **October 21, 2012**. If you wish to qualify for the Visa gift card drawing, be sure to complete both surveys by this date.

Partners In Brainstorms (PIB), an independent research firm located here in Arizona, is conducting this study. Any information that you provide on the Partners In Brainstorms survey website will be kept confidential. If you do not have access to a computer (at home or through a family member or friend), or if you require an alternate format, you can contact Partners In Brainstorms at 602-953-5228 to request that a survey booklet be mailed to you.
